**Tēnā koutou katoa**

***Me mahi tahi tātou mō te oranga o te katoa***

***We should work together for the well-being of everyone.***

*We have a mix of students here from many different schools. Everyone is adapting to our KIS expectations which may be slightly different from their old schools.*

We have had to cancel our annual Whanau Day this year because we are in the Red Zone. This was an informal “meet the teacher” day. In lieu of this, please expect our teachers to reach out to you in some way by either phone, email or text. They will touch base with you about how your child is settling in and ask a few questions around learning preferences in case staff or students need to isolate.

Our fence is partially complete. We are just waiting for more material to arrive to finish the front part.

All of our Year 7s and our new Year8's have just about finished their beginning of the year testing with Whaea Ange in the hall.

Matua EJ is in the process of organising our PE monitors who will be handing out the PE gear on Tuesdays and Thursdays.

A big thank you to my staff who put in an amazing amount of effort every day to ensure processes, routines and expectations continue to be modelled and encouraged both in and out of class. It is definitely paying off!

## **Beach Education Dates:**

Please ensure your child brings their water bottle, togs and towel on their designated Beach

Education day. Lunch will be provided. Students can come to school in mufti on their beach day. There is no cost for this educational experience, it is fully funded.
