*This has been a rather quiet week. There seems to be one or two students a day who either have covid or have to isolate because a household member has covid. Our students who had covid a couple of weeks ago are now recovered and back into learning. Class numbers are low which is leading to some great teaching and learning opportunities for staff and students. We feel like a private school!*

*One not so good thing that happened at the end of last week and the beginning of this week is that we have had our first stand downs of the year. Vaping seems to be the new smoking. There are severe consequences for children who bring vapes to school.*

## Boarding Scholarships for Tibbs House

There are three special boarding scholarships to Auckland Grammar School that may be of great benefit to any Year 8 boy for 2023.

### The Cooper-Connell Scholarship

The Cooper-Connell Scholarship was established in memory of Sir Henry Cooper, who came to Grammar from Waiuku on a scholarship and went on to become one of the School's greatest headmasters.

This boarding scholarship covers half of the annual boarding fees and is designed for exceptional young men with "the potential to achieve excellence in academic endeavours, allied with participation in sporting and cultural activities".

### Sports Scholarship

Tibbs House also offers a small number of sporting scholarships to outstanding candidates who will fit the special and unique culture and character of Auckland Grammar School.

We welcome candidates from any sport but every candidate, along with their application, must provide video footage of their performance in their chosen

sport(s) along with any written references from coaches and/or administrators.

### The Sir John Buchanan Scholarship

We are very fortunate to again be able to offer the Sir John Buchanan Scholarship in 2023 to an outstanding student from the South Auckland region. Generously established by Auckland Grammar Old Boy Sir John Buchanan '56, in recognition of the role that the School played in his development during his secondary school years, this boarding scholarship is designed to give young men who live out of zone the opportunity to attend one of the country's leading secondary schools.

The successful applicant will preferably live in the South Auckland region where Sir John himself grew up, and will be an outstanding student, a role model and future potential leader. He will be eligible for a full five-year boarding scholarship to the School's boarding house, Tibbs House, worth up to \$15,000 per annum.

Applications by letter are due by Friday 29 April 2022.

If you have any further questions regarding these scholarships, please do not hesitate to get in touch with Director of Boarding Mr Frank Haszard via email at [f.haszard@ags.school.nz](mailto:f.haszard@ags.school.nz) or phone 09 623 5432.

## Free Junior Coaching

We are holding some coaching sessions for juniors (6-18yrs old) starting in Term 2 at our top class course in Ahipara. We have the coaches, golfing equipment and resources as well as the time and energy to help them learn to play the game. All they need to do is to bring some enthusiasm.

The course will run for the whole school Term, from 3.30pm, one afternoon each week (day yet to be confirmed). It will also continue in Term 3 if they wish to go to the next level. Then in Term 4 it will go up another level. There will also be the opportunity to play games on weekends.

Does this sound like something your child could be interested in?

Maybe you have some questions?

Then call me on 0278361637,  
or email me at [dwaiti95@gmail.com](mailto:dwaiti95@gmail.com)

I look forward to hearing from you.
