Confident, connected, actively involved, lifelong learners who demonstrate Respect, Responsibility and form positive Relationships

Thursday 16th June 2022

Principal Kōrero

Tēnā koutou katoa

*Ko te ahurei o te tamaiti arahia ō tātou māhi
Let the uniqueness of the child guide our work.*

We have reached the business end of the term. If you look at the "Important Dates to Remember", it is full of activities and events. This is very different from last year when everything was shut down due to Covid. It feels like we are getting back to normal.

Our Support Staff Week went well and we have the photos to prove it on this newsletter!

Thank you whanau for your support on Monday when NZEI teachers had their paid union meeting. The afternoon was a success.

This week we have had Sharee here with the Life Education Caravan, teaching special classes with our students on issues such as cyber bullying, resilience and empathy. It's exactly what was on top for our generation of digital tamariki!

Our mid-term reports are going out on Thursday July 7th with Parent/Teacher/Student Interviews happening on the first Thursday back of Term 3 (July 28th). Our students have been working on Google Slide presentations to show their whanau at the interviews. We will hand out information on interview times closer to the day.

KIS Fortnightly Focus - Weeks 7 & 8

"Knowing my Learning Journey"

At K.I.S. this is about

- *Setting goals*
- **Knowing about my learning**
- *Managing my learning*
- **Reflecting on my learning**

During weeks 5 and 6, students focused on reflecting on their learning and many have started a Google Slides presentation as a way of sharing their reflections.

Over the course of the next two weeks, students will be showing that they know about their learning, through identifying their strengths and their areas to

improve in some of the key subject areas. They will be adding to their presentations.

Term 3 Dates

I know this seems far away but we would like to give you as much notice as possible.

On Thursday 28th of July we will have our Student Conferences. School will be closed for normal instruction. Instead, we will be having **parent/teacher/student interviews** to discuss your child's learning and next steps. Please bring your child as they are an important part of the process.

Also early in Term 3, on **Friday 29th July, we will have a Teacher Only Day where staff will be engaging in professional development related to writing.**

KIS Science Fair is on Friday August 12 and Monday 15th this year.

Important Dates to Remember

| | |
